About Us

We are established in 2016 at Salalah, Sultanate of Oman as an excellent grade, 100% locally owned trading and distributing company, known for delivering Speciality range of Cleaning and Hygiene chemicals. We always met customer requirements and specification to the minutest detail and often exceed them all parameters. Our company always provide complete solution for cleaning systems and equipments.

To make this possible, we work hand in hand with Midchem Speciality Chemicals Company UAE -, subsidiary of Midland Chemicals UK, which will deliver International standard Cleaning and Hygiene chemicals specifically for the needs of Middle East region. We are the distributor, representing Midchem Speciality range of cleaning and hygiene products.
